CHILL OUT

MANGUSTA 92 - CHILL OUT

Mangusta 92 is the epitome of sportiness and elegance. Beauty and speed are the two words that best define this boat. Its distinctive lines, spacious deck and ample interiors make the Mangusta a vessel that is not only beautiful but also perfectly proportioned.

Chill Out can sleep nine guests across its accommodation: a large master cabin with dressing room and sauna, which also has an ample bathroom; a spacious VIP cabin at the bow; a double cabin on the starboard side; and another cabin on the port side with two single beds, and a fold-out bunk bed that can accommodate a third guest. All of the bedrooms have en-suite bathrooms.

The yacht's spacious and stylish saloon offers a variety of areas where guests can enjoy different ambiances. Due starboard, Chill Out has a couch area with two small tables that can be transformed into a large dining table. On the opposite side, due port, an area with large sofas and a low table with two beanbag chairs is the ideal spot to relax and watch TV, or to chat with friends. By the entrance are two sofas facing each other and a table that has a backgammon board inside of it. This is the ideal place to play tabletop games, or to catch up on emails with views of the sea. Opposite this table there is a handy bar where delicious cocktails and aperitifs will be prepared for you. In addition, half of the saloon's roof can be opened, letting natural light fill the entire space.

Outside, there is a custom-made table at the stern that can comfortably accommodate eight diners, spacious sundecks at the bow and stern, and a third area located on top of the roof where guests can sunbathe in absolute privacy.
